

CITY OF MORTON

SEPA DETERMINATION OF NONSIGNIFICANCE (DNS)

Description of Proposal: The City of Morton filed a State Environmental Policy Act (SEPA) checklist as part of an update to the City's Shoreline Master Program Periodic Update (SMP).

Proponent: City of Morton

Lead agency: City of Morton
Morton City Hall
P.O. Box 1089
Morton, WA 98356

The City of Morton has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030. After reviewing a completed environmental checklist and other information on file with the lead agency, this decision was made. This information is available to the public upon request.

This determination is based on the following findings and conclusions: This project updates the SMP as required by the State of Washington. The purpose of this SMP periodic update is to remain in compliance with changes to regulations regarding shoreline management and development regulations. No projects, construction or development is proposed as part of the SMP periodic update. There are no planned disturbances to sensitive areas such as wetland, waterbodies, sensitive ecological areas, or areas with known historical/archaeological features.

Appeal Period Ends: March 24, 2025, at 5:00 PM
